

Solair

Dear Residents,

Please note that the water will be turned off for repairs:

Wednesday, June 22, 2016
10:30AM – 2:00PM
Floors 7 - 15

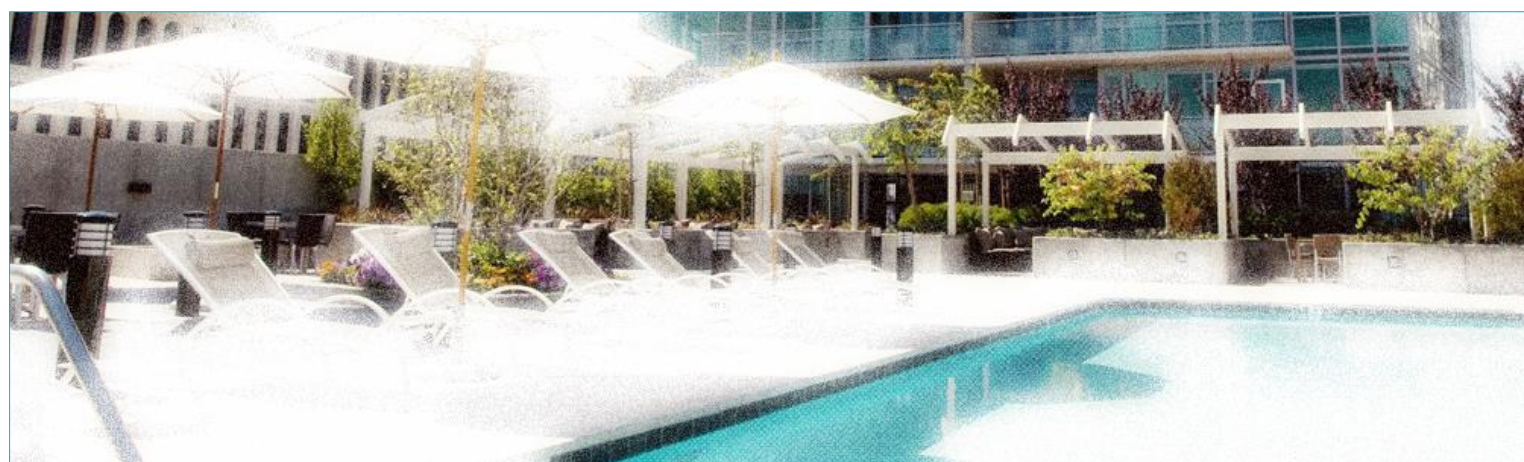

If you have any leaks, please let management know immediately so future water turn-offs may be avoided. I apologize for any inconvenience.

Thank you,
Brian Barr
General Manager

Friendly Plumbing Reminders

Help be a good neighbor and don't clog drains. Clogged pipes lead to floods and you can be a part of the solution.

- Do not put food down your sinks, including rice, egg shells, pasta, potato peels, beans, & coffee grounds
- Do not flush feminine products, paper towels, wet naps, Q-tips, & floss
- Immediately notify management of leaks, back-ups, or water intrusions
